We recommend that you read and understand this FSG before you engage us to provide you with any financial services. If you have any questions, please get in touch with us.

Not Independent

Because:

- we receive commissions on the sale of life risk insurance products that are not rebated in full to clients;
- our advisers have interests in financial products that may also be recommended to our wholesale clients;
- we recommend financial products issued by us or our associates which are referred to as "in house products

we are not able to refer to ourselves or our advice as 'independent', 'impartial' or 'unbiased'.

Additional documents you may receive from us

When we provide you with financial planning services you may receive:

- a Statement of Advice (SoA) or Record of Advice (RoA). These documents set out the advice we provide to you. If you have not been provided with the ROA, you may request a copy of it free of charge at any time within 7 years after the advice was provided to you, by contacting us;

Fees

All fees are payable to Pursue Wealth. Samantha and Josh are the owners of Pursue Wealth and share in the profits that are made.

General advice

We may charge you a fee for any general advice we provide to you. That fee may be either a fixed fee or based on the amount of hours it takes us to prepare and provide you with the general advice. The amount of these fees usually ranges from $995 to $2,200 but may exceed this range in complex cases. Details of the fee will be agreed with you beforehand. You may request information about these fees within a reasonable time after receiving this FSG but before you are provided with any general advice.

Personal advice

We will charge you a fee for any personal advice we provide to you. That fee may be either a fixed fee or based on the amount of hours it takes us to prepare and provide you with personal advice. The amount of these fees usually ranges from $4,400 to $11,000 but may exceed this range in complex cases. These fees will be agreed with you beforehand and will be disclosed in a SoA or RoA which will be provided to you.

Ongoing fees

Our ongoing fees depend on the ongoing service that we provide to you. They are typically charged as an agreed fixed price of between $280 and $1,667 and are paid monthly. The amount of ongoing fees will depend on your total assets under management and other factors such as the complexity of your portfolio, the regularity of reviews and any additional services we are providing.

Any ongoing fees will be agreed with you in our service agreement.

Insurance commissions

We receive a one-off upfront commission when you take out an insurance policy we recommend. The upfront commission will be between 0% and 66% of the first year's annual premium.

We also receive an ongoing commission payment of between 0% and 22% of the annual premium for as long as you continue to hold the policy.

For example, for an insurance product with an annual premium of $2,000, where the issuer pays us an upfront commission of 60%, we will receive $1,200. The issuer will pay us 10% of the annual premium as ongoing commission for as long as you hold the product. Assuming an annual premium of $2,000, this equates to $200 per year.

You will be advised of the exact amount of these commissions in the SoA or RoA.

Other Benefits

We may also receive additional benefits by way of sponsorship of educations seminars, conferences or training days. Details of any benefits received above $100 will be maintained on a register which is available to you on request.
